## **Institute Vision:**

---

At VPMP we envision our institute as the fountainhead of excellence in basic engineering knowledge to result in diploma engineers instilled with a sense of commitment, responsibility and belongingness both in their professional as well as their personal lives.

## **Institute Mission:**

---

We consistently strive to deliver technically sound, promising, proficient and ethically sound diploma holders who can play their role responsibly and progressively in the industrial environment and the society at large.

## **Department Mission:**

---

Providing the highest quality and innovative learning/teaching environment. Empowering students with state-of-art knowledge and computer technological skills to produce employable students and entrepreneurs with distinctive edge over their counterparts. Extending educational opportunities to institutions, industry and government to enhance Quality of Life of people, at large are using Computer Technology.

## **Department Vision:**

---

To be a Computer Engineering department of excellence imparting quality technical education imbued with proficiency and human values, providing opportunities and facilities for the students to develop into creative, dynamic and globally competent computer technology professionals.

## ○ FROM THE DESK OF THE HOD

---

Amidst the world class infrastructure surrounded by lush green ambience of VPMP POLYTECHNIC, Gandhinagar , we, at Diploma of Computer Engineering, are proud to state that we have highly qualified, efficient and motivated faculty members.

It is our privilege to have been provided with latest equipment, infrastructure, guidance and support from the management. We are committed to strive for excellence in the terms of academics, placements and overall development of our students and faculty members. In order to achieve these, the department is active in conducting various activities such as workshops, MoUs with Industry, Faculty development programmes etc. The students and faculty members are engaged in continuous learning process, hence ensuring the overall growth and progress. With an excellent placement record, the students are always motivated to enhance and polish their skills contributing towards the growth in their career.

The motto of our department is to provide quality education. Thus we are confident that our Diploma Engineers will emerge as assets not only to this institution and to the organization they belong, but also to the country at large. The Department has a team of highly experienced and motivated faculty members who are in the process of tuning the young minds to make them globally competitive.

I congratulate the team of faculty members and the students for their brilliant and original efforts.

I wish all the Students and Faculty a great academic career!!!!

**Mrs. KIRAN M JHA (H.O.D)**
