# Vision & Mission

## Institute Vision

To aim to be a Centre of Excellence among Diploma Engineering institutes imparting skills and values oriented technical education.

## Institute Mission

M1: To promote excellence in learning and teaching by adopting state-of-the-art methods to enrich the academic and industrial competency of students.

M2: To improve the quality of skilled workforce through technical skills training.

M3: To inspire students to learn and facilitate their overall development with social orientation, ethics and values.

## Department Vision

To produce highly qualified, motivated and globally competent diploma holders in Computer Engineering through a rigorous curriculum of theory and applications that develop the ability to solve problems and having aptitude for ethical values.

## Department Mission

M1: Provide the opportunity & skills to become industry-ready professionals.

M2: Prepare the students for the coming-of-the age technologies and applications.

M3: Inculcate problem solving and team building skills, leadership abilities and build a sense of societal and ethical responsibilities.

# FROM THE DESK OF THE HOD

Amidst the world class infrastructure surrounded by lush green ambience of VPMP POLYTECHNIC, Gandhinagar , we, at Diploma of Computer Engineering, are proud to state that we have highly qualified, efficient and motivated faculty members.

It is our privilege to have been provided with latest equipment, infrastructure, guidance and support from the management. We are committed to strive for excellence in the terms of academics, placements and overall development of our students and faculty members. In order to achieve these, the department is active in conducting various activities such as workshops, MOUs with Industry, Faculty development programs etc. The students and faculty members are engaged in continuous learning process, hence ensuring the overall growth and progress. With an excellent placement record, the students are always motivated to enhance and polish their skills contributing towards the growth in their career.

The motto of our department is to provide quality education. Thus we are confident that our Diploma Engineers will emerge as assets not only to this institution and to the organization they belong, but also to the country at large. The Department has a team of highly experienced and motivated faculty members who are in the process of tuning the young minds to make them globally competitive.

I congratulate the team of faculty members and the students for their brilliant and original efforts.

I wish all the Students and Faculty a great academic career!!!!

**Mrs. KIRAN M JHA (H.O.D)**
